FORWARD

On the eve of the recent primary election, the Argus put the challenge square up to the Neero voters of the City as to whether by their vote they would go "forward" or "backward." The people have responded in the affirmative and have selected Negroes for two new offices which race met have sever held before.

We are particularly pleased with the selection of Crittenden E. Chark as the choice of the voters of the Fourth District for Justice of the Peace. His fluid election in November will mean mean the choice of the voters of the Fourth Court of the Peace.

afficience of the freeze. In finite electron in province with december and the first race.

The office of Justice of the Pence is an untried field for Negroes in this City and State, but we believe that the people will experience no ill effects by electing Crittenden E. Clark

NEW CHAIRMAN G. O. P. COMMITTEE

NEW CHAIRMAN G. O. P. COMMITTEE

We wish to concratulate the Remulbilene City Central Committee for their wisdom in selecting Hon, Walter J. G. Neun as inchairman of that organization.

We are quite interested in the personnel of this Committee because its influence in selecting and endersine candidates for the many offices. City. State-and Nation will play in important and part in making for success or failure of the narry which they represent. The chairman of the Committee he virtue of his office will command and exert a deal of influence over nolitical affairs. Therefore, a strong, engageness and unright man is needed for the place; a man of honor and integrity a man who believes in a source deal for all; a man who would rather be "right" that to be the President of the United States.

These who know June Kon as we possess these quantiles. In And while we are not so well-acquainted with the new chairman, the wild while we are not so well-acquainted with the new chairman, the fact the right man for the place.

THE KU KLUX MENACE ..

THE KU-KLUN MENACE.

Local. State or National constituted authorities abould that for one moment relax their efforts to swat the Ku Klux Klan wherever that monstrous organization shows its local.

They statement that it is succhanged ber cut a merican, is in treality, much more throw the law. Their purpose of the Klan in America should attract the nation. Their purpose Religious, and is rotal previoletes are the fortifessoil upon which the organization thrives. The growing menace of the Klan in America should attract the nation of the best minds of the nation. Their recent gains by that organization in politics indicate the regular constituted authorities shall rule or whether the self-styled prosecutor Judge and Lury shall rule.

The roason for wanting their members elected to office is very evident. They want absolute anotherful the state of the law. Well shall be partial of the substrought before one of their implace, whose duly it was to us force the law. They want the Kin Klan, whenever, may develop the provident of the implace of the law. They want the Kin Klan whenever they are also and one and direct of the law want the Kin Klan whenever the constituted to some the same of the constitution of the same of the fall constitution of the same in the same in the same of the fall constitution of the same of the fall constitution of the same in the same of the fall constitution of the same in the same of the fall constitution of the same in the same of the fall constitution of the same in the same of the fall constitution of the same in the same of the fall constitution of the same in the same of the same of the fall constitution of the same in the same in the same of the same of the same

intering it before one of their number, whose duty it was to enforce the law.
